Dear Neighbor,

Recently, our constituent service office analyzed thousands of constituents' real estate tax bills. In doing so, we identified thousands of local real estate taxpayers eligible for exemptions they were not receiving. Following our findings, we assisted in filing more than 1000 certificates of error, resulting in more than \$1,000,000 returned to local taxpayers.

If you have not yet called our office to take advantage of this program, please do so today. After asking you for necessary information, we will research your case and let you know if there are any exemptions you are not receiving.

Please call the Madigan-Quinn Service Office at 773-581-8000 or 773-581-1313 and have your Property Index Number (PIN) available. This is a constituent service provided free of charge to residents of Illinois' 22nd Representative District and Chicago's 13th Ward.

Together, with your personal attention, we can continue our mission of making our community a better place to live, work and raise our families.

With kindest personal regards, we remain

Sincerely yours,

Michael J. Madigan
