FIGHTING FOR TAX FAIRNESS

For State Rep. Michael Madigan and Ald. Marty Quinn, serving local constituents is their top priority. Quality constituent service includes helping local residents save money by navigating the complex property tax assessment process.

Rep. Madigan and Ald. Quinn have hosted several property tax assessment forums to give local homeowners information on how to appeal assessments and make sure they are receiving all the tax exemptions they deserve. **To date, they have helped more than 300 people file appeals, resulting in more than \$280,000 in overpaid taxes being returned to local taxpayers.**

Madigan and Quinn will continue fighting for the needs and concerns of our neighborhoods. To receive information on your property taxes or to make sure you're receiving all the exemptions to which you're entitled, please contact April at 773-581-8000 or Jennifer at 773-581-1313, or stop by the Madigan-Quinn service office at 6500 S. Pulaski Road or 6014 S. Central Avenue.
