

## Dear Neighbor:

While so much feels like it is out of our control, people throughout our community have found their strength in friends, neighbors, and loved ones.

Throughout this difficult time, we've been working hard to make sure local families and seniors have the resources they need. This summer, we'll be hosting our regular shredding and electronic recycling days – modified to be contactless in order to keep everyone safe.

We're all in this together, and we're here to help. If we can help with any city, county, or state services, please contact the **Madigan-Quinn Service Office** at **773-581-8000**.

Sincerely,

*Michael J. Madigan Marty Quinn*
